

ENVIRONMENT HEALTH AND SAFETY POLICY

Strict adherence to health and safety law to assess risks in the workplace. This means identifying work activities that could cause injury or illness and taking action to eliminate the hazard, or if this isn't possible, control the risk. The purpose of health and safety is to protect your workers, sub-contractors, customers and members of the public when they are involved with your business. We take utmost measures of care under the Health and Safety at Work Act 1974 but more than that, it's our good business practice to adhere to health and safety laws

Our Commitments: -
